## PVC Installation for All Roofing Sections

Our bid is for labor and the following materials:
- Removal of existing roofing system down to existing sheathing. Plywood replacements are billed at $65 per sheet (includes both materials and labor)
- IB 60 Mil PVC membrane to be installed. Installation of new pipe flashings, 1/2" insulation board, ventilation for membrane, new drip edge on outer perimeter and termination bar and water cutoff on inner wall. parapet caps.

| TOTAL | $49,519.00 |
|---|---|

Our bid reflects the current pricing as of today. Due to the volatility of the market, any price increases we receive from manufacturers and or distributors after the original bid date will be added to the bid, submitted, accepted, and signed by the Customer before we order and or schedule the job.

Disclaimer: This communication may contain privileged and confidential information. It is intended solely for the use of the addressee. If you are not the intended recipient, you are strictly prohibited from disclosing, copying, distributing, or using any of this information. This offer expires if not signed and accepted by both parties within 10 days after the date listed at the top of this agreement. Terms: Net 30 days from the invoice date; 2% finance charges on balance unpaid after 30 days, compounded on a monthly basis (26.8% per annum). The Customer agrees to pay all costs and expenses of collection. We use progress billing for all services and may require a deposit to begin work
