2025 Art on Loan

Judging Score Sheet

Thank you for being a judge for the 2025 Ivins City Art on Loan event! This year there are 7 entries (1 sculpture, 2 photographs, 4 paintings), as outlined below. It is important that you allow plenty of time to complete and submit this judging form in one sitting, as you cannot save as you go. Please choose UP TO 6 pieces of art. For questions, email madams@ivinsutah.gov.

For two-dimensional pieces, consideration should be given to the following dimension size parameters*, which were stated in the artist applications.

*Dimension Size Parameters: 2D art must fit within one of two wall space sizes: 40"height x 30"width or 36"height x 48"width. Consideration should be given to **adequately** filling the space without exceeding the parameters.

Each entry will be rated based on the following criteria.

Overall Appearance/Workmanship

- Captures attention and is visually interesting and engaging
- Professionally crafted with an aesthetic quality
- Suitable for City of Ivins

Originality/Innovation

- Entry is unique
- The artist has used the media in an interesting/new way
- Entry provides high level of artistic skill

After reviewing each entry, and determing if the piece meets the dimension size parameters, jurors will make their final selection of 6 choices, and provide a brief rationale as to the decision before hitting the Submit button.

Thank you for your time!
