- During the summer, the School Resource Officers (SROs) focused on enhancing community safety through a proactive enforcement approach, particularly in areas with abandoned vehicles, electric motorcycles, and related traffic issues.
- The SROs are back in the schools. They are assisting with the safety and fire drills at the schools.

TRAINING:

- Detective Muse attended a Sexual Assault Training at the Hurricane Police Department.

EVENTS:

- Several officers provided security at Utah Tech University's annual foam dance, a back-to-school event.

ANIMAL CONTROL

- Currently, the shelter is taking care of 8 dogs and 12 cats. While we have seen an increase in cat adoptions, dog adoptions have unfortunately decreased. We are currently housing only large dogs, which require extra care and consistency. We remain hopeful that upcoming events will help encourage more adoptions.
- We are pleased to welcome a new shelter technician, Kevin Hart, who started this month. He has been a valuable addition to our team and is eager to learn more about the shelter environment.
