Ivins Permit Activity Trend: Single-Family

10/8/2025

Average annual permits: 116

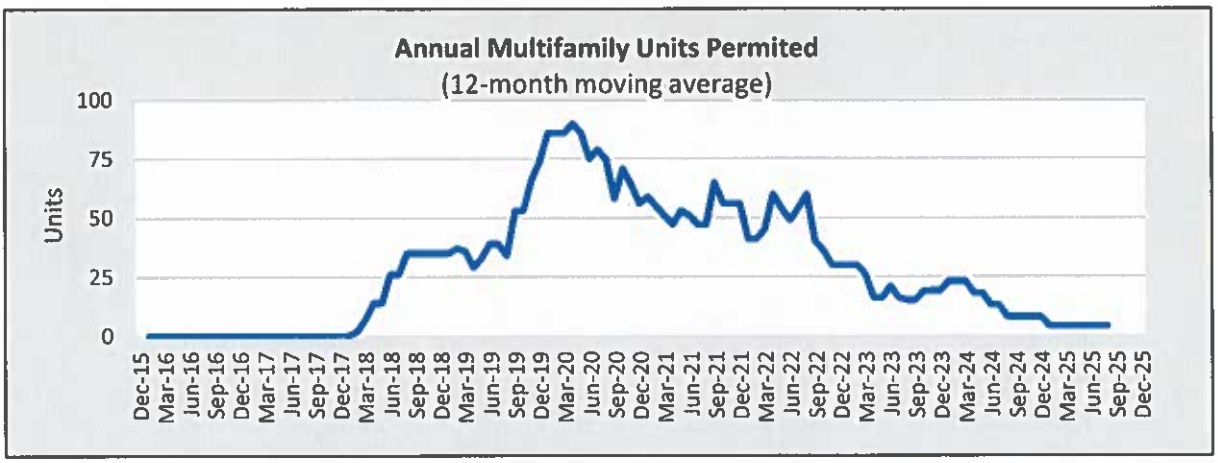

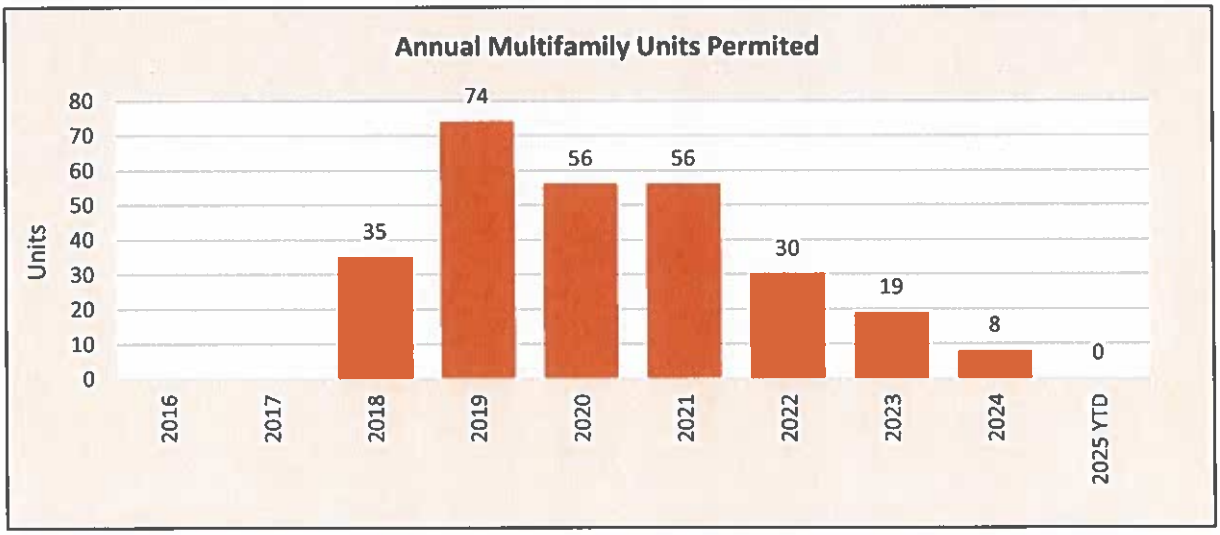

Ivins Permit Activity Trend: Multifamily Housing

10/8/2025

Note: Multifamily permit reporting has historically included "hospitality" units. In 2025, a review was conducted, and a best-effort adjustment was made to distinguish multifamily housing units from hospitality units. This chart shows the multifamily-only results.

Click on the "Permit Activity Report" in this box to highlight the print area. It is near the top left of the workbook. Then print the document.
