Our Bold Ambition: Be the Model System

Keep people healthier for less while delivering the best and most caring experience.

Intermountain Health

NONPROFIT

We help meet the diverse healthcare needs of our communities by providing excellent care at the lowest appropriate cost, regardless of the patient's ability to pay.

St. George Regional Hospital

Serving the region for over 100 years, St. George Regional Hospital is proud to deliver compassionate, quality care to the people in Southern Utah and is the major medical referral center for northwestern Arizona and southeastern Nevada. In addition to primary care clinics in and around the St. George and the surrounding communities, St. George Regional offers dozens of innovative specialty services and a 300-bed hospital. We are a fully accredited Level II Trauma Center with more than 2,800 caregivers and more than 400 physicians and advanced care professionals.
