ANIMAL CONTROL

- The Officers had a busy month focused on community outreach, education, and public engagement. We had the opportunity to read to students at Red Mountain Elementary, serve donuts at Santa Clara Elementary, conduct a safety presentation at Lava Ridge Intermediate, and provide a shelter tour for a church group.
- With the recent warmer weather, officers have also seen an increase in wildlife-related calls and dogs running at large. We continue to handle wildlife situations carefully while educating the public on the importance of keeping dogs on a leash for the safety of both pets and the community.
