2) WORK MEETING

A. Discussion regarding the Transportation Utility Fee (TUF), a dedicated fund for road maintenance

BACKGROUND and RECOMMENDATION: The Ivins City Public Works Director/City Engineer introduced representatives from Avenue Consultants and the Metropolitan Planning Organization (MPO), who presented information regarding a Transportation Utility Fee (TUF) and the ongoing Transportation Master Plan update. A presentation was provided to the Mayor and City Council. A copy of the presentation is available as an attachment to this agenda. The Mayor and City Council reviewed the City's roadway conditions, maintenance history, projected maintenance needs, funding sources, and potential funding gaps. Discussion included potential Transportation Utility Fee scenarios, roadway preservation strategies, long-term maintenance costs, and the impact of recent legislative changes. The Mayor and City Council also discussed public perception, the distinction between a fee and a tax, and the importance of educating the public regarding roadway funding needs and the potential use of a Transportation Utility Fee. The Mayor and City Council supported additional public outreach and education before considering any future action regarding a Transportation Utility Fee. City staff will continue working with the consultants and return with additional information and recommendations. The discussion may be accessed at time stamp 00:01:44.
