- **Current Zoning:** R-TH
- **Proposed Zoning:** R-M
- **Current Land Use:** HDR

- **General Plan Designation:** The land use in the General Plan is intended to be a guide for new development and redevelopment. The Plan establishes a vision for future development that, if achieved, will preserve the unique character of Ivins. It should be used to ensure that new development and redevelopment are consistent with the Land Use Plan. Additionally, the Plan should help developers understand what type of developments are appropriate for differing properties. This land use is located as an HDR, which holds the R-1-5, R-2-6, R-2-10, R-M and R-TH zone densities and uses. The applicant is requesting an R-M zone, which fits these uses.

ANALYSIS

A. Applicable Review Process and Standards—See ICC16.05.114 Figure 5-4 Attached.

B. Zoning Districts Purpose and Compatibility

According to Ivins City Code 16.06.102, zoning districts are established to achieve the purposes of the General Plan and land use ordinances. The proposed zone amendment aligns with the City's goals by its development potential and existing development rights under the proposed land use ordinance. Using zoning and land use regulations strategically ensure that new development's style and intensity does not detract from the City's unique character. The Ivins City General Plan supports neighborhoods that provide a variety of housing options designed to meet the financial and aesthetic needs of a broad range of residents.

C. TRC Discussion and Recommendation. TRC does not discuss zone or land use recommendations and has no key considerations to recommend.

D. Sensitive Lands Ordinance

Ivins City has a Sensitive Lands Ordinance to provide clear guidelines on protected lands, including ridgelines and rock outcroppings. If applicable, the development will address sensitive lands considerations during the development process.

RECOMMENDATION

Based on the analysis and findings listed in this report, it is recommended that the Commission decide whether or not to approve the zoning amendment for this property. Staff does not make recommendations for zoning or land use changes.
