Intermountain Health

St. George Regional Hospital

Serving the region for over 100 years, St. George Regional Hospital is proud to deliver compassionate, quality care to the people in Southern Utah and is the major medical referral center for northwestern Arizona and southeastern Nevada. In addition to primary care clinics in and around the St. George and the surrounding communities, St. George Regional offers dozens of innovative specialty services and a 300-bed hospital. We are a fully accredited Level II Trauma Center with more than 2,800 caregivers and more than 400 physicians and advanced care professionals.
